Subject: RE: draft PM ISA slides for Oct 9 briefing

Slides looked great. I'll just note that it's a long presentation and you only have an hour, but I know that you've done it in that time before.

Subject: draft PM ISA slides for Oct 9 briefing
Importance: High

Tina/Anna,
Please review and let me know if you have comments/revisions.
These are mostly drawn from the IOAA briefing with edits to slide 1 (Purpose) and Next Steps (32/33).
Other slides were moved to Supplemental to streamline a bit.
Once these are good for you then we can send to Lou (I can or one of you just let me know)

Lou indicated its good to push for the FRN, and CASAC issue.
We don't need the FRN to transmit the ISA to the CASAC DFO, but if there is no CASAC in place who is he going to send it to?
I'll be in the office until 2:30 or so, possibly later.
John
